Doric Adds New Boeing 747 to Asset Management Portfolio

Offenbach – On 5 March 2015 Doric added a Boeing 747-8F cargo plane to its asset management portfolio at Boeing’s headquarters in Seattle, USA. The aircraft carries the manufacturer’s serial number 35823 and is leased long-term to Cargolux Airlines International S.A.

An innovative financing structure was used to fund the purchase of the freighter now on lease to Cargolux. Loans were provided by Landesbank Hessen-Thüringen Girozentrale (Helaba) and Deutsche Bank. Doric is providing long-term asset management on the investor side. Doric Managing Director Sibylle Pähler commented on the closing of the transaction: “We are delighted to have diversified our portfolio once more.”

About Doric

Doric GmbH, together with its subsidiaries in Germany, the UK and the USA (Doric), acquires, structures and manages yield-orientated assets in its core business sectors, transportation, real estate and energy. Doric manages assets with an investment volume in excess of USD 8 billion. Real estate activities are carried out by Quadoro Doric Real Estate GmbH. Doric Investment GmbH is the Doric group’s Alternative Investment Fund Manager (AIFM) and also offers a number of services relating to the German Investment Code (KAGB) and the regulation of investments.
