Doric Aviation Day 2016 Well Received

Offenbach – The first Doric Aviation Day was launched on 9 June 2016 at the Sparda-Bank-Hessen-Stadium in Offenbach.

More than 100 participants from aviation and finance as well as investors and journalists exchanged their views on current issues of the aviation industry.

Talks by Boeing, Ascend and Avocet completed the programme.

Sibylle Pähler, Managing Director of Doric GmbH, was very pleased with the interest and positive feedback generated by the Doric Aviation Day. The Sparda-Stadium provided the perfect setting for such an event shortly before the European Football Championship.
