Doric Aviation Day Well Received Again

Offenbach, Germany – On 25 April 2017 about 150 guests participated in Doric Aviation Day 2017 in the VIP lounge of Offenbach football stadium.

Investors had the opportunity to mingle with representatives from airlines, aircraft financiers, advisors and journalists specializing in the aviation industry.

Airbus and Bombardier, MINT Capital Markets and advisors such as IBA and Norton Rose Fulbright rounded off the programme with talks that included the topic “Aviation and Brexit”.

Sibylle Pähler, Doric GmbH Managing Director, was delighted at the popularity of this year’s Doric Aviation Day and the positive feedback from participants. As in the previous year, the Sparda-Bank-Hessen-Stadion provided a fitting venue for the event.

About Doric

The Doric group offers investments in the areas of transportation, real estate and renewable energy. AIF solutions including portfolio management and fund management complement our services. At present, we manage real assets with an investment volume of USD 8.5 billion. Thanks to our presence in Germany, UK and North America, we are best positioned to implement cross-border investments.
