

Doric Hosts Forum for Offenbach Entrepreneurs

Offenbach, Germany – On 6 November 2018, Doric GmbH took the opportunity to introduce itself to local entrepreneurs by hosting the Offenbach-based Round Table 83.

The Doric Group is a leading asset manager in the aircraft and real estate sectors and although its headquarters are in Offenbach, it is regionally less well known. Doric operates mainly internationally supported by its subsidiaries in Hong Kong, London and New York.

The Round Table 83 association was able to recruit the property valuation expert Martin Schneider as a guest speaker for the event. Mr Schneider gave an interesting talk on the various methods of property valuation and the factors which play a role.

Doric's real estate activities are carried out by its subsidiary Quadoro Doric Real Estate GmbH. Doric was pleased to host this informative Round Table event and looks forward to the next opportunity.
